

## SSYO POLICY AND RULES FOR CUB BASKETBALL

November 2017

The SSYO follows the National Basketball Federation (High School Rules) for basketball with the following exceptions:

### **CUB LEVEL**

The Cub level is an instructional league, and at the end of the season all players should know the basic skills. **It is mandatory that all players participate to some extent in each game** with a goal toward equal participation providing athletes have met the team rules concerning practice and conduct. Season will consist of 10 games.

### **GAME INFORMATION:**

Game time will be four 10 minute RUNNING time quarters with 2 minute OVERTIMES, if needed.

Additional overtimes will be played as needed.

**Overtimes ARE NOT sudden death. Games do not end in a tie.**

LAST TWO MINUTES OF FOURTH QUARTER WILL BE STOP TIME unless one team is up by 20 points or more, then running time continues.

### **IN ADDITION, STOP TIME THROUGHOUT THE GAME FOR:**

1. SHOOTING FOULS
2. TIME OUTS
3. INJURY

Four Time Outs will be allowed per game. (Two per half with no carryover).

One Time Out per Overtime and no carryover to other Overtimes.

Regulation Women's size basketball will be used for all Cub games, both boys and girls.

**FREE THROWS:**– Cub players at all levels may move up to 13' line to shoot free throws. Stronger players are encouraged to move back to regulation line.

### **CUB BRONZE AND SILVER DIVISION - BOYS AND GIRLS:**

The entire game will be played with person to person half court defense. NO PRESS. Throughout the game once the defensive team has secured possession of the ball from a rebound and/or steal, the opposing team must drop back to half court.

### **CUB GOLD DIVISION - BOYS AND GIRLS:**

NO PRESS except in the 4<sup>th</sup> Quarter or O.T., but not if you are ahead by 10 or more points.

### **HELPING DEFENSE- ALL CUB DIVISIONS**

We wish to encourage all players at this level to learn defensive fundamentals so SSYO teams will play person to person with a helping defense. Helping position is defined where a player is between the ball and the person he/she is guarding. The player should be able to make a triangle by pointing to the ball and to the person he/she is guarding. We wish to avoid the play of one on one only, so if the offensive players are continually being uninvolved or inactive by design, the defense has the right to defend their basket and not stand out of the normal playing area. Therefore, if the person being guarded is on the opposite side of the floor from the ball, a player may position him/herself as far over as the middle of the lane. Also, if the offensive player beats the opponent and dribbles the ball to an area where a player is playing appropriate defense, the defensive player can defend in that area. **Double teaming is never allowed.** Players who help must recover to guard their person, or their teammates must switch the players they are guarding.

**PENALTY FOR ILLEGAL DEFENSE-** Official will give **one warning** to coach for illegal defense and then call a bench technical on second infraction.
